INTRODUCTION

Dear Reader,

We are ecstatic that you took the time to open this document. It may be your first step towards a fulfilling journey and a new professional experience.

International Innovation and Technology Exhibition (INOTEX) which is hosted by Pardis Technology Park and co-organized by the Vice presidency for Science and Technology (ISTI) and the Presidential Center for Innovation and Technology Cooperation (CITC) will take place on 07-05 July 2018, Exhibition centre at Goft-O-Gou Park, Theran. This exhibition includes several parts, including the INOTEX TALENT, B2B Meetings, BTM Meetings, etc.

The INOTEX TALENT, Smart City version, is a one-day career acceleration event that brings companies and young people together, particularly fresh graduate and students.

In this event, the valid companies meet the youth who are eager to accomplish their dreams.

Regarding the theme of INOTEX 2018 is a smart city, in this workshop, active and educated people in this field such as Information Technology, Industries, Management, Computer Science, etc.will participate.

Having that said, we are inviting you to follow the lines of this application to ensure your impact is counted visibly.

ORGANIZERS

Pardis Technology Park

Pardis Technology Park (PTP) is the region's technology paradise and is under auspices of Vice-Presidency for Science and Technology. PTP is considered as the most pioneering technology park in I.R.I which is distinguished by many reputed foreign and domestic organizations. The park has been proclaimed the "Silicon Valley of Iran".

Revamp Agency

Revamp is a trusted agency for students who seek job opportunities, startups that are eager to scale up and companies that tend to collaborate with both. Our business is committed to enable successful career journeys by connecting organizations and people throughout their journey together.

FACI TEAM

Flavius Balauca (Agenda Manager)

This is Flavious, Nomad by nature, rebel at heart, and human by design. I have been frisking and busying in the educational area for... let me count. The past 5 years! Full of curiosity and with a smile on my face, I have delivered trainings, teambuildings, coaching session, experience-based learning interventions and class room teaching. My expertise runs from Leadership Development, to Personal Branding, Organisational Development and Teambuilding. I am an avid reader, passionate about travelling and immersing myself in different cultures, a promoter of self-awareness and authenticity

Behrad Barzegar

This is me, Behrad, An adrenaline junky, sportholic, true art lover and very passionate about cultural diversity. I do love and value human interrelationships and interactions, connected to that, I have 4 years experience devoted to serving and encouraging people to find their true potential and to live a healthier and more meaningful life. Besides I am very keen on traveling and everywhere I go or I tend to, I go to learn something new and this only happens by being inquisitive about the things happening around you. Throughout my career, I am at the moment focusing on Talent management and development.

CO-FACI TEAM

HamidReza

It's Hamidreza. An adventurer who loves travelling, different cultures and languages with a passion in music and food. Also I love experiencing and voluntary jobs. I'm a professional international trainer and coach with more than 3 years of experience in talent management. I value friendship and I have experience in team building, communication management, event management and education related fields.

AmirAli

This is Amirali, mostly out of the box, agog and explorer ever since I have opened my eyes. Have participated in conferences and have delivered a variety of sessions in fields of team management, training, and coaching. Have failed enormous time but every time I failed, I learned to become better.

Objectives

- Know and learn with the professionals from the valid companies
- Develop personal and behavioral skills
- Deepen the understanding of the market and develop career management tools
